

# District checklist items for August

## Plan and provide professional development for new staff

Build implementation knowledge and understanding for new staff and how it impacts their daily work.

---

## Review purpose, expectations, and build capacity for systems' self-assessments with school building leaders

System self-assessments guide team actions. Through system self-assessments teams monitor implementation progress, identify areas of growth, and determine system fidelity of an equitable, multi-level system of support.

---

## Plan and provide professional development for new administrators

Provides all administrators an understanding and a collective commitment to the vision and mission of the district.

---

## Communicate progress across teams and schools **Recurring Event**

Establishes timely feedback loops across the district.

---

## Provide time for systematic continuous improvement **Recurring Event**

Schedule and prioritize district improvement/action planning, professional development, etc.

---

## Communicate progress to families and stakeholders **Recurring Event**

Establishes feedback loops among staff (across teams and schools), families, students, and communities.
