

District checklist items for March

Communicate value of system self-assessments to schools

Clarify why it is important to complete system self-assessments to inform the continuous improvement process and long-term action planning.

Schedule assessment windows for all system self-assessments for each district school for next year

Alerts schools so they can build capacity for all system self-assessment dates and ensure dates don't overlap.

Communicate progress across teams and schools Recurring Event

Establishes timely feedback loops across the district.

Provide time for systematic continuous improvement Recurring Event

Schedule and prioritize district improvement/action planning, professional development, etc.

Communicate progress to families and stakeholders Recurring Event

Establishes feedback loops among staff (across teams and schools), families, students, and communities.
