# District checklist items for November

---

## Tasks For November

---

### **Analyze, share, and adjust improvement/action plan from all school system self-assessment results**

Provides evidence for where schools are along the journey. Data drives improvement/action planning and professional development. Reveals strengths and opportunities that determine system fidelity. Builds priority and efficiency of district supports. Celebrate successes!

---

## **Recurring Tasks For November**

### **Communicate progress across teams and schools**

Establishes timely feedback loops across the district.

---

### **Provide time for systematic continuous improvement**

Schedule and prioritize district improvement/action planning, professional development, etc.

---

### **Communicate progress to families and stakeholders**

Establishes feedback loops among staff (across teams and schools), families, students, and communities.
