

PBIS Leadership Conference

A VIRTUAL EXPERIENCE

Keynote Speaker: Ambra L. Green, Ph. D.

August 10

 **@AmbraLGreen**

[Ambra L. Green, Ph.D.](#) is an Assistant Professor of Special Education within the Department of Curriculum and Instruction at The University of Texas at Arlington.

Dr. Green is a national scholar with publications and research focused on students of color with and at-risk for disabilities, issues related to inequitable school practices (i.e., disproportionality in special education and exclusionary practices), behavior disorders, positive behavioral interventions and supports, and teacher use of evidence-based practices.

Connect with Ambra at #pbislc21 for her keynote & equitable systems session
