

TIER 3 WRAPAROUND TRAINING SERIES

Objectives

Through instruction, examples, practice and feedback, facilitators will learn how to establish their school's Wraparound process including:

- An understanding of the ten principles of Wraparound and their responsibilities as a facilitator
- An understanding and the ability to articulate the four phases of Wraparound
- An understanding of the steps necessary to design an action plan based on family and student strengths, needs, and culture across multiple life domains
- Planning how to use data to guide decision making in student identification, progress monitoring interventions and assessing the fidelity of intervention

Audience

Special educators, school services staff, and general education teachers. Potential facilitators must have a strong desire to do the work, make good connections with students and families, and have a flexibility of schedule to accomplish the work.

Cost: \$65 per day

Fee includes registration, networking lunch, materials
