

PROFESSIONAL LEARNING NETWORK 2019-2020 ADVANCING LINGUISTIC SUCCESS FOR DIVERSE LEARNERS: A MODEL FOR SUCCESS

Goals

- To create professional learning for educators who support multi-lingual learners with a focus on increasing their effectiveness in whole school and inclusive class settings.
- To nurture a safe, collaborative approach that promotes accountability and transformational, reflective leadership around supporting multi-lingual learners.

Audience

We encourage all educational leaders serving our Wisconsin schools and districts including:

- Teacher leaders and leadership teams
- Instructional coaches who support English Learners
- Special Education Directors & Consultants
- CESA Consultants and/or Directors
- Directors of Support Services & Pupil Services
- Directors of Curriculum & Instruction
- Directors & Coordinators of Title I & Title III
- DPI ELA Content Team
- DPI IT Professional Learning Team
- DPI Title I and Migrant Team
- Directors & Consultants of Educator Effectiveness
- WI Rtl Center staff

This professional learning network is aimed at building the capacity of individuals who work with English Learners and multi-lingual learners within Wisconsin's Framework for Equitable Multi-Level Systems of Supports.

Please complete the Professional Learning Network Interest Form. Individuals interested in attending the May 8, 2019 Orientation meeting will be sent a link to the Zoom meeting.

Orientation: May 8, 2019 | 9:00-10:00 am via Zoom

After the Orientation meeting, there will be four, 2-hour networking session dates that will be coordinated by the enrolled participants. The first session is planned for August 2019.

Cost: Free; registration is required
