

# TIER 2 TRAINING SERIES

## Objectives

- Define the six features of secondary/tier 2 interventions and the connection with universal/tier 1
- Analyze current interventions and articulate how they match features of secondary/tier 2 interventions
- Create a plan for how the team will develop or refine check-in check-out (CICO), modified CICO, social academic instruction groups (SAIGs), mentoring and brief behavior intervention plans (BIP) that include all six intervention features
- Create a plan to train, support and gather feedback from stakeholders including students, staff, families
- Practice systems-level discussions and decision-making that include intervention effectiveness, assessment data, and simple modifications to support for individuals and groups of students
