

PBIS REGIONAL TECHNICAL ASSISTANCE COORDINATOR (TAC)—2 OPENINGS

The Wisconsin Rtl Center has a fantastic opportunity for someone who wants to impact schools and districts across CESAs 4, 10, and 11. This position supports district and school leadership teams to plan for and carry out action plans that challenge and change educational systems so that student outcomes are improved; focus on students with Individualized Educational Plans (IEPs) and students of color.

- **Build** the capacity of district and school leadership teams to address system processes and practices that are a part of Wisconsin's Framework for Equitable, Multi-level Systems of Supports
- **Initiate and support** discussions with district and school leadership teams about the existing inequities their current system creates and maintains
- **Facilitate** district and school leadership team goal setting and action planning about implementing system processes and practices that address inequities
- **Use** Wisconsin Rtl Center system assessments to problem solve, coach external leadership teams, and inform internal continuous improvement

SUMMARY OF QUALIFICATIONS

- Successful experience implementing PBIS at a school and/or district level
- Experience coaching a school-level PBIS team
- Knowledge of Wisconsin's Framework for Equitable, Multi-level Systems of Supports
- Knowledge and understanding of PBIS system from district to classroom practices (i.e., schoolwide expectations, staff commitment, classroom strategies for behavior management, acknowledgment systems, check-in check-out, etc.)
- Experience coaching and changing the behavior of teams (versus individual contributors)
- Demonstrated commitment to examine data to self-reflect on own actions and impact to improve continuously

POSITION DETAILS

This position will work from home and must live in CESAs 4, 10, or 11. The expected travel is up to 50%. Health and dental insurance and excellent state retirement system benefit are available. To apply, submit a cover letter and resume to hr@wisconsinrticenter.org. Please direct all questions to this email address. Application materials must be received by September 1, 2021. See the [full job description](#) for a complete list of job duties and qualifications.

ABOUT THE WISCONSIN RTI CENTER

In 2009, the Wisconsin Rtl Center was created to assist Wisconsin's educational systems in building capacity, adopting and implementing high-quality practices, making informed decisions, ensuring sustainability of efforts, and increasing success for all students. We believe all students can learn and be successful in life. We work with leadership teams to build strong implementation that leads to better results. Read more about the [Wisconsin Rtl Center](#).
